Just prior to our Easter break, beavers made cupcake coasters for Mothers Day and our visit to Havering Museum in March went very well. When we restarted after Easter beavers planted cut and come again salad seeds; mine are growing ok, hope yours are!

Many thanks to all those who attended the St. Georges Day Parade, I think the panto-style portrayal of the legend of St. George enjoyed by the beavers was even better this year.

Those beavers who took part in the day visit to our Group camp had a great day taking part in a number of new activities; by doing so also had parts of their challenge badges marked off.

Another successful event was the District Beaver Sleepover which some beavers attended; lots of activities including wall climbing and a treasure hunt using simple map reading.

*Can I ask that you write your child's name on beaver jumpers and
*scarves and also coats in order to stop the muddle which ensues trying to
*sort out which garment belongs to whom. Beavers often take off their
*jumpers and scarves during a meeting. Thank you.
