

8th Hornchurch ST. GEORGES Beaver Colony.

10th July, 2017.

Next Monday, 17th July, is our last meeting of this term and for this we will be meeting, in uniform, by 6.15 p.m. at Cely Woods, Warwick Lane, Rainham, postcode border RM14/RM13. Finish at 7.30 p.m.

Beavers should bring with them a drink in a resealable plastic bottle and a waterproof coat. This activity will go ahead unless there is persistent heavy rain or a storm.

The car park is relatively small so if you can liaise with a friend to share the driving that would be helpful. Map attached.

(I'm aware that some beavers have a school event/disco.)

Beavers will restart after the summer break on Monday, 11th September when subs of £35 will be due (cash or cheque made payable to 8th Hornchurch Beavers).

Over the last couple of months with the lighter evenings the beavers have done a nature observation walk on Hacton parkway; played a 'wide' game; done some orienteering and compass work; walked to Hornchurch Country Park; made kites, boats and rafts and generally had fun. A number of beavers attended our 'scouting skills' activity day when they had taster sessions of outdoor skills they will experience when moving on to cubs.

We have quite a number of older beavers who've been visiting cub packs ready for their next stage of 'Scouting'. We've also welcomed a number of new members into the colony.

Adventure Island/Adventure Golf/Southend Sealife Adventure discount tickets available please see attached.

Have a lovely summer, Mao/Sue
River, Robert, Aliyah.
